OFFICE OF THE SECRETARY, BOSTON, Jan. 18, 1921.

To the Honorable Senate

and the House of Representatives

I have the honor to submit herewith, in compliance with section 330, chapter 835, Acts of 1913, a report of the number of assessed polls, the number of registered male and female voters at the date of the last annual State election and city and town elections, and the total number of persons, male and female, who voted at each such election in every city and town, and in every voting precinct therein, together with the number of votes received by each candidate for nomination and for election for a State office, and for election for a State committee.

In further compliance to the law above quoted, I submit the following recommendations:—

That because of the increase in the number of registered voters in the several districts and divisions of the Commonwealth, by reason of the addition of female voters, I respectfully recommend that the limit in the amounts of political expenses of candidates for public office be increased.

I also recommend for the consideration of the General Court the question of the feasibility of the rotating of names of candidates on the official ballots at State Primaries.

RETURNS UNDER THE "CORRUPT PRACTICES" LAW.

Under the provisions of chapter 835, Acts of 1913, as amended by chapter 783, Acts of 1914, chapter 83, General Acts of 1917, and chapter 149, Acts of 1920, there were received from candidates for nomination a total of 718 returns, of which 92 were late, 39 were premature, 9 were irregular, 3 were both premature and irregular, and 34 were both late and irregular; 183 failed to file returns.

The number of returns to be transmitted to the Attorney-General as apparently in violation of law was 157.

There were 237 returns of no payments, 4 payments to political committees, 500 payments other than to political committees, and 27 payments both to political committees and others.

There were received from candidates for election a total of 511 returns, of which 62 were late, 9 were irregular, and 8 both late and irregular; 113 failed to file returns.

The number of returns transmitted to the Attorney-General as apparently in violation of the law was 79.

There were 166 returns of no payments, 89 payments to political committees, 167 payments other than to political committees, and 89 payments both to political committees and others.

Total expenditures for elections as shown by returns,	58,686 14

There were also received from the treasurers of political committees 253 returns, and 139 certificates stating that the aggregate receipts and disbursements did not exceed \$20. Sixty-two of the returns and 20 of the certificates were transmitted to the Attorney-General as apparently in violation of the law. Ninety-four failed to file returns, and were also reported to the Attorney-General.

NUMBER OF ASSESSED POLLS, REGISTERED VOTERS AND PERSONS
WHO VOTED AT ELECTIONS.

Apparent inconsistencies in the report may be accounted for, in part, as follows:—

First. — The number of assessed male polls includes aliens and other persons who are not qualified to become registered voters.

Second. — The number of registered voters includes persons who are exempt from taxation and therefore are not included in the number of assessed polls.

Third. — Many names of voters on the list at the State election are, by reason of change of residence, erased from the list of voters at municipal elections.
